Welcome to our 2005 Sponsors. The CCA membership wishes to thank our sponsors and encourages you to patronize their establishments!

### **BLOOD ENTERPRISES (Lead Sponsor)**

Blood Enterprises, 3670 C St. N.E., Auburn, WA 98002 T. 253-939-4121, FAX 939-4122 Email [info@bloodenterprises.com](mailto:info@bloodenterprises.com)

Automotive service and technology - Complete performance car service and client education. From regular maintenance to total custom projects. It is our goal to meet your needs in either parts or service and be an information resource afterwards.

Close to SIR/Pacific raceway, we are interested in helping you kick some butt this season. Our facility has a chassis dyno in house and we are experts in fuel systems both carb and EFI. We do steel and aluminum custom fabrication in house and have a large inventory of parts for the racer or home mechanic.

### **www.PFYC.com**

PFYC.com sells some 500 exclusive and name-brand parts and accessories for nine late-model cars and trucks, including the Alero, Corvette, Grand AM, Grand Prix, Impala, Intrigue, Monte Carlo, Regal and Ford F-Series Truck.

PFYC sources its products from more than 80 top aftermarket vendors, including Borla, MSD Ignition, K&N Performance Parts and Hypertech. Competitive pricing is maintained by maximizing the efficiency of the Internet for shopping, service and delivery.

The sign of quality and integrity - Serving the Eastside with integrity and quality workmanship for over three decades.
